

***I wanted to give you a gift that is truly meaningful.
I have made a donation in your name to the Stephen Lewis Foundation.***

The Foundation funds projects that support women, orphans, grandmothers and community activists who are living with the devastating effects of HIV and AIDS in sub-Saharan Africa. Amongst other things, these grassroots groups provide food, shelter and home-based care; they help children attend school; and support grandmothers caring for some of the millions of orphans left behind.

This contribution will help to bring hope and dignity to communities that have been hardest hit by the pandemic. My gift to you is the knowledge that together we have made a difference in the lives of many people struggling to survive.
